JOINT STATEMENT REGARDING PRETRIAL MATTERS

Pursuant to Local Rule 16.1, the Defendants Cigna Group Insurance Company of America, Connecticut General Life Insurance Company and Price Waterhouse Long Term Disability Plan (hereinafter collectively referred to as "Defendants") and the Plaintiff, C. David Stokes (hereinafter "Plaintiff") file this Joint Statement Regarding Pretrial Matters.

Proposed Discovery Plan and Schedule for Motions

The parties propose the schedule set forth below for consideration by the Court. The parties do not wish to conduct phased discovery.

- a. Insofar as this matter involves the review of an administrative record whose content will be decided based on the methodology set forth herein, the parties are relieved of any mandatory disclosure requirements under Rule 26 of the Federal Rules of Civil Procedure and the Local Rules of the United States District Court for the District of Massachusetts. See, Fed. R. Civ. P. 26(a)(1)(E).
- b. Motions to join additional parties and to amend the pleadings must be filed by **March 25, 2005**.

c. Insofar as this matter solely concerns the Court's review of a claim for benefits under ERISA, which may be limited to the Court's review of the administrative record, the Court orders that the Defendants provide to Plaintiff on or before **April 15, 2005**, a Proposed Record for Judicial Review ("Proposed Record") as follows. The Proposed Record shall consist of the following documents unredacted, and arranged in an orderly fashion: 1) all non-privileged documents contained in the Defendants' claim file concerning Plaintiff's claim; and 2) all relevant plan documents in the possession of the Defendants. Should the Defendants claim that any of the documents in its possession are privileged, the Defendants agree to produce a Privilege Log to the Plaintiff with the Proposed Record.

d. Upon receiving the Proposed Record, the Plaintiff shall review the documents submitted as part of the record and identify those documents containing information that must be redacted or filed under seal pursuant to Rule 5.3 of this Court's Rules (amendment effective May 6, 2003). Plaintiff shall bear sole responsibility for identifying information that must be redacted or filed under seal pursuant to Rule 5.3. Plaintiff shall notify Defendants' counsel in writing by **May 13, 2005**, providing a list of all information it seeks to redact, or file under seal pursuant to Local Rules 5.3. If the Defendants object to the redaction or filing under seal of any of the information Plaintiff proposes to redact or file under seal, the parties shall confer in an attempt to resolve those issues. If the issues cannot be resolved, either party may file a motion on or before **June 10, 2005** with the Court seeking a ruling on any such issue. Alternatively, either party may file a motion to seal the entire Record for Judicial Review, on or before **August 5, 2005**.

e. If after receiving the Proposed Record the Plaintiff claims that the Proposed Record is incomplete or inaccurate in any way, she must notify the Defendants' counsel in writing of the same by **July 8, 2005**. If the Plaintiff does not provide such notice by **July 8, 2005**, then

the Defendants shall file with the Court each of the documents previously served on Plaintiff entitled "Agreed Upon and Complete Record for Judicial Review." If the Plaintiff does provide such notice, then the parties must then confer in an attempt to agree upon the contents of the Record for Judicial Review by **July 22, 2005**. If the parties come to an agreement, they are to immediately file an "Agreed Upon and Complete Record For Judicial Review." If the parties cannot agree on the Record For Judicial Review, then the parties shall file with the Court by **August 5, 2005**, a document entitled "Partial Record for Judicial Review" which contains only that portion of the record on which the parties agree. To the extent the parties disagree concerning the proper contents of the Record For Judicial Review, the parties shall file memoranda concerning any additional material they seek to have added to the Record For Judicial Review by **August 5, 2005**.

- f. If any party proposes that it is entitled to any discovery, to constitute or supplement the Record For Judicial Review, it must file with the Court a submission showing cause for the party's entitlement to such discovery. The Court expects a reasonable degree of particularity as to what discovery is sought and why reason exists to expect that the product of discovery would be properly received at trial and would be material to the disposition of this civil action. Any requests for discovery must be filed by **August 5, 2005**. Counsel to any party not proposing discovery shall have two weeks from service of a request for discovery to file an opposition thereto.
- g. If any party proposes that it is entitled to an evidentiary hearing necessary to supplement the Record For Judicial Review, it must file with the Court a submission showing cause for its entitlement to such evidentiary hearing. The Court expects a reasonable degree of particularity as to what reason exists to expect that the product of the evidentiary hearing would be material to the disposition of this civil action. Any request for such evidentiary

hearing must be filed by **August 5, 2005**. Counsel to any party not proposing the evidentiary hearing shall have two weeks from the service of a request for such a hearing to file an opposition thereto.

- h. Any party filing a Motion for Summary Judgment shall do so on or before **September 23, 2005**, or two months after the Court rules on any outstanding motions regarding the scope of the administrative record, discovery or an evidentiary hearing.
- i. Any party filing an Opposition to a Motion for Summary Judgment shall do so thirty days (30 days) following receipt of the Motion for Summary Judgment.
- j. To the extent that the parties' Summary Judgment Motions do not decide all of the claims and defenses between the parties, the Court shall conduct a bench trial on the papers in accordance with the Federal Rule of Civil Procedure 52(a). In such a trial the Court will rely on the Record for Judicial Review and the parties' Summary Judgment Motions and memoranda of law then on file with the Court. See, Radford Trust v. First Unum Life Insurance Company, 321 F. Supp. 2d 226, 239-240 (D. Mass. 2004); Digregorio v. Pricewaterhouse Coopers Long Term Disability Plan, et al., 2004 WL 1774566 (D. Mass. 2004).
